### **Team Scotland 2018: Gold Coast Commonwealth Games**

#### **Athlete - Sport Selection Policy and Standards**

##### **Introduction**

1. Scottish Swimming and Commonwealth Games Scotland (CGS) have agreed this selection policy. It provides detail on the process by which Scottish Swimming will arrive at athlete nominations. These will be submitted to CGS for consideration and for final selection to Team Scotland 2018.

Achievement by an athlete of individual selection standards, detailed in this document, is therefore the first step by which nomination can be considered. The final decision for selection to the 2018 Games lies with CGS.

2. Scottish Swimming will nominate only those athletes to have qualified under both the Scottish Swimming Sport Specific Selection Standards stated below, and the CGS General Selection Policy (available on the CGS website) that should be read in conjunction with these standards.
3. Entry numbers per event and the overall number of athletes in the swimming team are in accordance with Commonwealth Games Federation (CGF) allocation. Should more athletes achieve the standards than spaces available, then Scottish Swimming will prioritise in accordance with this policy.

##### **Team Scotland General Selection Policy Aim**

4. Scotland selects a team that:
  - 4.1 performs with distinction in 2018;
  - 4.2 achieves the highest ever medals at a Games out with Scotland; and,
  - 4.3 overall have a higher percentage of athletes meeting the selection standards when competing at these Games than in 2014.
5. This Swimming selection policy is consistent with the aim above.

##### **Athlete Eligibility**

6. The eligibility criteria of the CGF, Article 24 (see Appendix 3) and R13.5 of Scottish Amateur Swimming Association Limited Company Rules must be met by all nominees.
7. Where prospective team members do not automatically comply with the above, in terms of birth or parents birth, they will only be nominated for final selection if they receive prior approval from the CGF under their guidelines. No applications will be considered after 1 March 2017 to allow any case sufficient time for review and any submission to the CGF.

9.4 Further swimmers from the ranking list identified within 9.2 and in conjunction with the CGS Generic Policy, **MAY** be nominated to CGS at the discretion of the Scottish Swimming Performance Director in consultation with the National Coach.

### 10. Relay Selection

10.1 In accordance with the CGF statutes and GOLDOC competition rules, the maximum number of relays selected by any country for each relay event will be one.

10.2 Selection of relays will be based on a relay team achieving a selection time through the process identified below:

- 10.3 The fastest combination of four individual swimmers times in the Men's and Women's 100m and 200m Freestyle events and the fastest 100m Backstroke, 100m Breaststroke, 100m Butterfly and 100m Freestyle will be added together and a total allowance of 1.50 seconds will be deducted for takeovers to establish a combined time for relays. Providing the times of the 4 identified swimmers (including the alternate swimmer) added together with a total allowance of 1.50 seconds deducted for takeovers achieve the relay standard (identified in the table in Appendix 1), a relay alternate may be considered within the selection process identified within 9.4.

10.5 Any swimmer who qualifies for the swimming team is eligible for selection to the relay teams, and the National Coach is responsible for selecting the best four swimmers and swim order to compete in the relay events.

## 11. SELECTION NOTES

11.1 Performances by swimmers equalling or bettering a selection time in each event at the selection meets in finals, semi-finals or heats will be used equally.

**11.1.1 Following the process outlined in section 9.1 – 9.3 where swimmers are ranked equally (either by time or percentage inside the qualifying standard) and the number of event places or places within the top 16 does not allow for both swimmers to be nominated, the Scottish Swimming Performance Director, in consultation with the National Coach, will make the final decision.**

- 11.2 Individual swimmers performances outside the published selection times (listed in Appendix 1) will not be considered for selection.
- 11.3 Relay splits, including lead off swims, will not be considered for selection.
- 11.4 Split times from individual events, will not be considered for selection.
- 11.5 Where multiple individual qualifying standards are achieved, swimmers must identify which individual events they wish to compete in to the NPD and Head Coach by 25 September 2017.
- 11.6 Only named selection meets will be used for selection.
- 11.7 Additional Swims for selected swimmers: Final decisions concerning additional swims will be made by the National Coach in line with the CGS General Policy:

*Entries will be made by CGS after athletes are selected by CGS based on agreed achievement of selection standards. Once selected in the event in which they have met the agreed selection standards, athletes may also be entered in other events:*

- a) should there be spaces available; and,*
- b) if, after discussion with the athlete's sport, CGS agrees the athlete's focus remains on the primary events they have qualified in, or in other team events such as relays to which they have been committed, and other athletes have been selected for.*

In line with the above, the following process will be followed:
