In April 2012, Klout<sup>2</sup> named [insidethegames.biz](http://insidethegames.biz) as the 3rd most influential Olympic website in the world behind the International Olympic Committee (IOC) and London 2012.

New figures issued by Klout in January 2013 saw [insidethegames.biz](http://insidethegames.biz) as the 6th most influential Olympic website in the world behind the International Olympic Committee (IOC), United States Olympic Committee (USOC), London 2012, Sochi 2014 and NBC Olympics.

In the spring of 2013, Klout changed the way it measures influence across the web, and it now excludes sites such as [insidethegames.biz](http://insidethegames.biz).

<sup>2</sup> [www.klout.com](http://www.klout.com) measures level of influence across the web.
